Docket number 24-OIR-03 - Energy Data Collection - Phase 3

Commissioners re: Docket 24-OIR-03,

lâ€™m a CA-based contractor in Folsom, and this would allow the state one more way of tracking what people have giving the State an upper hand in manipulating consumers with propaganda.

This would increase burden/costs because it will need a revenue source and the state only takes and never gives.

â€œThis proposal will not solve the permit compliance issue. David Lopez
