Docket number 24-OIR-03 - Energy Data Collection - Phase 3

Commissioners re: Docket 24-OIR-03,

I oppose this idea of tracking sales by the state its just another way to cost everybody more money. As a new construction HVAC Installation Company we work as Subcontractors to a General Contractor on every job.I don't pull the permits they are pulled by the General Contractors. So I'm not really sure how the data would be useful sounds like a witch hunt. Rolland Summers
