Docket number 24-OIR-03 - Energy Data Collection - Phase 3

Commissioners re: Docket 24-OIR-03,

I am a South San Joaquin Valley contractor in Taft, the demographic community of 70+ percentage Hispanic and their economic concerns are to raise their family and housing. The housing in this area is expensive and to add this additional burden to restrict the general public from purchasing targeted equipment is unconscionable. It appears that the pursuit of happiness and prosperity is only for the elite. Jesus Fernandez
