SUBJECT: APPROVAL OF REFRIGERATION SERVICE ENGINEERS SOCIETY CONDITION OF
APPROVAL (COA-2025-1) FOR THE 2025 UPDATE REPORT

DATE: August 10, 2026

Dear Lori Schiavo:

On November 13, 2025, the California Energy Commission (CEC) adopted Order No. 25-1112-03c, which conditionally approved the Refrigeration Service Engineers Society (RSES) as an Acceptance Test Technician Certification Provider (ATTCP) for the 2025 Energy Code, contingent on certain requirements [COA-2025-1](#) (<https://efiling.energy.ca.gov/GetDocument.aspx?tn=266968&DocumentContentId=104150>). This letter is to confirm that these requirements have been met.

RSES has provided a full demonstration of the database and its ability to comply with the 2022 and 2025 Energy Code to the satisfaction of CEC staff. Therefore, RSES has satisfied the requirements of the conditional approval COA 2025-1 as provided in Order No. 25-1112-03c and is approved as an ATTCP by the CEC.

If you have any questions, please contact Bhaskar Ale at Bhaskar.ale@energy.ca.gov.

Sincerely,

Drew Bohan
Executive Director
