Docket number 24-OIR-03 - Energy Data Collection - Phase 3

Commissioners re: Docket 24-OIR-03,

New CEC rules, are not practical and regulations do not make real solutions to the bad system that is outdated. Cost of all parties will increase not just for contractors/warehouse but also the people of California making cost of a necessary/basic home need in So-Cal where temperatures reach triple digits. Asking people to pay more for basic home need to live comfortable is not reasonable or realistic. Eric Castro
