Re: Application for Confidential Designation (Repeated Application, 20 CCR 2505(a)(4)), Docket 13-ATTCP-01

To the Docket Unit:

The National Energy Management Institute Committee (NEMIC), in its role as a California Energy Commission approved Mechanical Acceptance Test Technician Certification Provider (ATTCP), submits this Application for Confidential Designation for its Acceptance Testing Technician Certification Provider Annual Report described below. This is a Repeated Application under Title 20, California Code of Regulations, section 2505(a)(4), because the Energy Commission has previously granted confidential designation to a substantially similar NEMIC ATTCP Annual Report.

1. Contact Information (20 CCR 1208.1)

Applicant Name: National Energy Management Institute Committee (NEMIC)
Prepared by: Steven Winstead, Western Region Representative
Phone Number: 916-502-2394
E-mail: swinstead@nemionline.org
Proceeding Name: Acceptance Test Technician Certification Provider Program
Docket Number: 13-ATTCP-01

2. Title, Date, and Description of the Information (20 CCR 1208.1)

Title: NEMIC ATTCP Annual Report, Reporting Period 2025
Date: 08/20/2026

Description: The report summarizes the certification services NEMIC provided over the reporting period, including the total number of Acceptance Test Technicians and acceptance test employers certified during the period and to date, and includes a signed certification that NEMIC has met all requirements of the program.

3. Prior Confidential Determination

The Energy Commission previously granted confidential designation to a substantially similar NEMIC ATTCP Annual Report on the basis that the report contains trade secret and competitively sensitive information. The original determination is identified as follows:
Original determination letter date: 04/30/2025
Transaction Number (TN): 262885

4. Certifications Required for a Repeated Application (20 CCR 2505(a)(4))

NEMIC certifies that the records for which confidential designation is requested are substantially similar to the records previously designated as confidential by the Energy Commission, and that all facts and circumstances

relevant to confidentiality remain unchanged.

5. Certification Under Penalty of Perjury (20 CCR 2505(a)(1)(G))

I certify under penalty of perjury that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge.

6. Applicant Type and Authorization (20 CCR 2505(a)(1)(G))

The applicant, National Energy Management Institute Committee, is a not-for-profit organization jointly sponsored by the International Association of Sheet Metal, Air, Rail and Transportation Workers (SMART) and the Sheet Metal and Air Conditioning Contractors' National Association (SMACNA). The undersigned is authorized to make this application and certification on behalf of NEMIC.

Respectfully submitted,

Steven Winstead
Western Representative
National Energy Management Institute Committee
