RE: Upstream Change in Ownership of Applicant for Seahawk Battery Energy Storage System (Docket No. 26-OPT-02)

Dear Mr. Veerkamp,

Reference is made to Section 1.4 Project Ownership of the Executive Summary dated May 27, 2026 (TN #270250). We write to inform you of an upstream change in ownership of Sequoia Energy Storage 1, LLC, the applicant in opt-in proceeding 26-OPT-02 for the proposed Seahawk Battery Energy Storage System project (the Project). The sale of 100% of the membership interests of Sequoia Energy Storage 1, LLC from NLE U-S CA Development, LLC (a subsidiary of New Leaf Energy, Inc.) to Invenergy Storage LLC (a wholly owned subsidiary of Invenergy Renewables Holdings LLC) became effective on June 30, 2026. The applicant for the Project remains Sequoia Energy Storage 1, LLC, and the application remains otherwise unchanged.

Please include Janine Mueller, Senior Associate, Development, on all correspondence related to the Project: jmueller@invenergy.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Laura Miner".
