CORBY BESS

Dear CITY OF VACAVILLE,

I am writing to oppose the CORBY BESS PROJECT AS IS CURRENTLY PROPOSED. I believe the chance of thermal runoff is too great and will contaminate fields and waterways. Most important is the risk to residents.

This is the wrong placement when THERE IS A LOCATION IN SF IN THE OLD POTRERO PGE BLDG. Available to restore.

Please prevent this project and any further Battery storage this close to our community.

Thank you

Brooks sautner and cal mock
