

California Energy Commission DOCKETED 12-012-02
TN # 72442

STATEMENT OF MAILING OF NOTICE AS REQUIRED BY
TITLE 1, CALIFORNIA CODE OF REGULATIONS, SECTION 86

ADOPTION OF AMENDMENTS TO REGULATIONS IMPLEMENTING
THE GEOTHERMAL GRANT AND LOAN PROGRAM

Energy Commission Docket 12-OIR-02
Notice File Number Z-2013-0813-01

The California Energy Commission has complied with the provisions of Government Code sections 11346.4(a)(1) through (6) regarding the mailing of the notice of proposed regulatory action as follows:

In accordance with Government Code section 11346.4(a)(5), the Notice of Proposed Action (NOPA) was published in the California Regulatory Notice Register on August 23, 2013.

By August 23, 2013, the date of the NOPA publication, the Energy Commission mailed hard copies of the NOPA to 348 interested parties, including the California members of the Geothermal Resources Council, which is the main geothermal trade association and includes representative small businesses (section 11346.4(a)(3)); the California Geothermal Energy Collaborative; the Geothermal Education Office; the United States Department of Energy; county counsel and land use offices for California counties with geothermal development (section 11346.4(a)(4)); and individuals who previously requested hard copy notices of the regulatory action (section 11346.4(a)(1)).

A copy of the Notice of Proposed Action was delivered to the Secretary of the Resources Agency pursuant to section 11346.4(a)(2) and also placed on the Energy Commission's website (section 11346.4(a)(6)).

In addition, the Commission electronically mailed notice of publication of the NOPA to over 900 interested persons on the Energy Commission's Geothermal listserv.
