Subject: Sonoran Energy Project Modeling Files for Data Response Set 1

Dear Ms. Dyas:

In Data Requests Set No. 1, dated October 12, 2015, the CEC Staff requested revisions and clarifications to ambient air quality modeling analyses that had been submitted with the Sonoran Energy Project Petition to Amend (Docket No. 02-AFC-01C). In response to the Staff's requests, we are providing revised air quality modeling files on the enclosed DVDs. Five copies of the modeling files are provided; additional copies are available upon request.

Please let me know if you have any questions.

Sincerely,

Gary Rubenstein
