Good Morning.

We have questions regarding FRPM allocation. This is in reference to page 35 Exhibit A. 3<sup>rd</sup> column reads "15% of funds based on prior year eligibility for free and reduced-priced meals (\$57 million)"

1. Will funds be divided equally among all schools that qualify under the FRPM Program or will it be based on their ADA?
2. How do schools qualify for the FRPM allocation?
3. Is the FRPM funding in addition to a LEA's standard ADA allotment?
4. We are interested in knowing what the formula for estimating an LEA's prop 39 allocation is?
