Subject: Proposition 39 Comment - Client call tomorrow - a bit urgent
Importance: High

Hi Prop 39 Question center:

Assume school A has 639 students and there are 11 schools with a total of 6,539 for the total district. Does School A and every school with under 1,000 ADA get a total of \$50,000 for the first year allocation and then \$50,000 each additional year? Or, what is the calculation? It isn't completely clear in SB 73.

Thank you,
Marika
