Against Proposed Battery Storage

I'm highly concerned about this battery storage and unable to attend the meeting. Vacaville residents have already clearly said NOOOO countless times and it's still a HARD no. I'm not wasting my time writing all the reasons all over again or bothering cutting and pasting from ChatGPT. The answer is noooo STILL! Go away never return this to Solano County again. We have serious safety concerns and it does not belong here no matter how much you claim it's safe. ABSOLUTELY NO. Unfortunately I'm out of the country and can attend the meeting next week.
