Window 2: How to Apply

WEBINAR

Fast Charge California Project, Window 2: How to Apply

September 30, 2026

9:30 a.m. to 11:00 a.m. PT

Hello Valued CALeVIP Member,

Planning to apply for **Fast Charge California Project Window 2**? Join our free webinar to learn how to successfully navigate the application process and prepare your project for submission.

Whether you're a **site host, property owner, property manager, local government, or electric vehicle service provider (EVSP)**, this webinar will provide practical guidance on program requirements, key deadlines, and the resources available to help you submit a complete application.

This Sept. 30 webinar features:

- The Project Window 2 timeline and important deadlines
- A step-by-step overview of the application process
- Required tiering documentation
- Available applicant resources and technical assistance
- Live Q&A with the Fast Charge California team

This webinar is designed to help applicants better understand the process, avoid common mistakes, and prepare for a successful application.

Register today to reserve your spot.
