Opposing BESS

Dear Sir/Madam,

Please do not allow the BESS project to go forward as presented at the Kilkenny Rd Vacaville location.

Please, whether this project or any others proposed in CA, make a statement that no dangerous locations will even be entertained by the CEC.

Set a bar for other states to use your code of safety as an example to all of Solano County and CA.

We will be so grateful if you would deny this location and recommend LAMBE or no BESS at all in our county or any other in CA.

Thank you,

Brooks Sautner
