Corby Opposition Letter

Additional submitted attachment is included below.

Dear Commissioners,

I'm the owner of Valentino Construction Inc. located at 5516 Weber Rd. Vacaville. I am concerned about the BESS project on Kilkenny Rd Vacaville. I operate and store all our construction equipment on our property on Weber.

If a toxic plume or fire damage my equipment, trucks, dump trailers, trailers, tractor and tools, office... who will be responsible for the clean-up and or replacement?

How will this matter be mitigated?

Who will cover my loss of work while my equipment is being replaced?

Please provide me with your insurance company so I know who to contact when I have a claim.

Peter Valentino
