Public Safety

Dear Commissioners,

Ultimately public safety should be your number one concern. I have even heard that comment made by members of the CEC.

November 6, 2025 CBS News Interview - Ashley Sharp with Drew Bohan: "We absolutely place public safety at the top of our list." Bohan said.

My family, as the closest residence will not be safe if this project is allowed to be placed in my front yard.

Please hear my plea and do not allow my family to be placed in harm's way.

Sincerely,
Deanna Cole
