Repeated Application for Confidential Designation:

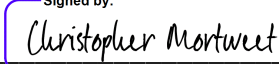

Demand Side Grid Support Option 4 Enrolled Participation Reports

Renew Home seeks confidential treatment of the following information submitted to the California Energy Commission (CEC) for purposes of participating in the Demand Side Grid Support (DSGS) program, Option 4, via the Olivine portal:

Enrolled Participation Reports for October 2026:

1. **SCE-DSGS_OPTION_4-RNH-202610.tsv** - includes DSGS4 enrollment data for 146,679 Devices in a 16.5MB tsv file
2. **SDGE-DSGS_OPTION_4-RNH-202610.tsv** - includes DSGS4 enrollment data for 46,408 Devices in a 5.3MB tsv file
3. Both reports were submitted to the Olivine portal on September 24, 2026.

The records submitted here are substantially similar to the records previously designated by the CEC as confidential (transaction numbers 272290 and 272323 docketed September 1 and September 3) and the facts and circumstances have not changed. Therefore, we seek confidential treatment under Repeated Applications for Confidentiality (20 CCR 2505 (a)(4)).
