Additional submitted attachment is included below.

RPS-2024-01 Electricity credited to a participating customer

Comment on TN273032

Pursuant to PUC 399.30(c)(4), Beginning January 1, 2014, any renewable energy credits associated with electricity credited to a participating customer shall not be used for compliance with procurement requirements under this article, shall be retired on behalf of the participating customer.

Where may the participating customer find proof supporting a claim that "This home is powered by clean solar energy."?

Is there ATM like device to lookup such information as seen below?
