Re: Southern California Edison Company's Request for Extension of Deadline for IEPR 2026 Supply Forms, Docket No. 26-IEPR-02

Dear Mr. Bohan:

Pursuant to California Code of Regulations (CCR), Title 20, Section 1342(c), Southern California Edison Company (SCE), submits this request for an extension of the deadline to file its Supply Forms for the 2026 IEPR Update. SCE respectfully requests an extension to December 4, 2026 to ensure the accurate and complete preparation of this report.

The following consists of the application information required for requesting an extension per CCR section 1342(c)(1):

1. **Company Information**

Southern California Edison Company

Telephone: 800-655-4555

2. **Contact Person**

Shefali Agarwal

Telephone: 626-302-3246
Email: Shefali.Agarwal@sce.com

3. **Report Information**

Report Name: IEPR 2026 Supply Forms S-1, S-2, S-5, Transmission Form T-1

Applicable regulations: CCR, Title 20, Section 1301 et. seq. and 1340 et seq.

4. Reason for Extension Request

SCE respectfully requests an extension to ensure that its IEPR filing is complete, accurate, and fully reviewed. The teams responsible for the IEPR are also managing several critical fall compliance obligations. SCE recently completed its Resource Adequacy Request for Offers and is preparing its year-ahead filing, due October 31. Because the recently procured resources must be entered into the database used to populate the IEPR, additional time will allow SCE to incorporate the latest contract data accurately. During the same period, the responsible group must also complete SCE's Energy Resource Recovery Account ratemaking filing (October) and Integrated Resource Plan compliance forecast (due in December). Granting the extension will enable SCE to manage these concurrent obligations, validate the underlying data, and submit a reliable IEPR filing to the CEC.

5. Commitment to Compliance

SCE is fully committed to diligently working to complete and submit Supply Forms S-1, S-2, S-5 and T-1 by the requested deadline, ensuring full compliance with all applicable requirements.

6. Declaration

I, Shefali Agarwal, declare under penalty of perjury under the laws of the State of California, that I am authorized to submit this application on behalf of Southern California Edison Company.

To the best of my knowledge and belief and based on diligent investigation, the information in this application is true, accurate, complete, and in compliance with the regulations specified in CCR, Title 20, Section 1342.

SCE appreciates your consideration of this request and look forward to your response. Please do not hesitate to contact me at (626) 302-3246 or Shefali.Agarwal@sce.com with any questions or comments you may have. I am available to discuss these matters further at your convenience.

Sincerely,

/s/ Shefali
