Re: Confidentiality Designation: Response to CEC Information Request
Docket No.: 26-IEPR-03 Electricity and Gas Demand Forecast

To Whom it May Concern:

Enclosed herewith is a response to a request for information, addressed to Mr. Jeremy Smith at the California Energy Commission (CEC), relating to the 2026 IEPR Demand Forecast. As a public agency, SMUD requests that the CEC designate the data identified below as confidential pursuant to Title 20, section 2505(b) of the California Code of Regulations.

Section 2505(b) requires the CEC to designate information as confidential when the entity seeking confidentiality of that information is a federal, state, regional, or local agency that possesses information pertinent to the responsibilities of the CEC and has been designated by the applicant as confidential under the California Public Records Act or the Freedom of Information Act.

SMUD is a local agency, and SMUD has designated the following information as confidential under the California Public Records Act:

- all data in column titled “Requested Capacity,” highlighted in yellow in the table within the attached letter; and
- all data in column titled “Expected Energization Date,” highlighted in yellow in the table within the attached letter.

This information should be kept confidential indefinitely.

I certify under penalty of perjury that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge. I also certify that I am authorized to make the application and certification on behalf of SMUD.

If you have any questions, please do not hesitate to contact me at katharine.larson@smud.org or SMUD Senior Attorney Marissa O’Connor at marissa.oconnor@smud.org.

Sincerely,

/s/ Katharine Larson
