October 21, 2016

Bruce Boyer—Compliance Project Manager
California Energy Commission
STEP Division
1516 Ninth Street, MS-2000
Sacramento, CA 95814

Dear Mr. Boyer,

Due to budgetary constraints NCPA is not going forward at this time, nor in the foreseeable future, with the sulfur processing building, and therefore would like to withdraw the petition to amend for its construction. And if you would be so kind as to refund the fee for this amendment, NCPA would be most pleased.

If you have any questions or need additional data, please feel free to contact me at any time.

Respectfully,

John Koos
Compliance Manager
Northern California Power Agency
