**PETITION FOR OWNERSHIP
TRANSFER**

INTRODUCTION

This Petition seeks to transfer ownership of the Final Decision and all amendments thereto for the generation facility (Project) owned by Kern River Cogeneration Company (KRCC), 82-AFC-2, from KRCC to Chevron Power Holdings Inc. (CPHI).

This Petition is prepared pursuant to 20 CCR 1769 (b). Section 1769 (b) requires this Petition to include:

- (A) a discussion of any significant changes in the operational relationship between the owner and operator;
- (B) a statement identifying the party responsible for compliance with the commission's conditions of certification; and
- (C) a statement verified by the new owner or operator in the same manner as provided in Section 1707 that the new owner or operator understands the conditions of certification and agrees to comply with those conditions.

The remainder of the Petition sets forth information responsive to these requirements.

CHANGES IN OPERATIONAL RELATIONSHIP

The subject transaction is an internal restructuring that will result in no change in the operations of the Project. KRCC is currently wholly-owned by CPHI and Chevron Kern River Company. CPHI and Chevron Kern River Company are, in turn, each indirectly wholly-owned by Chevron Corporation. Due to an internal restructuring that is anticipated to be completed and effective on October 1, 2015, KRCC will be merged, along with certain other project companies, into CPHI. KRCC will then be dissolved and CPHI will be the direct owner of the Project and of the Final Decision for the KRCC facility. CPHI will continue to be indirectly wholly-owned by Chevron Corporation.

RESPONSIBLE PARTY

Upon completion of the merger, CPHI will be the party responsible for compliance with the Conditions of Certification. CPHI's legal address and contact person are:

Chevron Power Holdings Inc.
Attn: Mervyn Soares
1500 Louisiana Street, 38th Floor
Houston, TX 77002

VERIFICATION

Attached is a verified statement that an authorized officer of CPHI has read and understands the conditions of certification contained in the Final Decision and agrees to comply with those conditions.

Dated: August 28, 2015

Respectfully Submitted,

Scott A Galati
Counsel to Chevron Power Holdings Inc.
