**Re: Blythe Energy Project (99-AFC-08C)  
Withdrawal of Petition to Amend filed January 26, 2015**

Dear Ms. Dyas:

On January 26, 2015, Blythe Energy Inc. docketed a Petition to Amend (PTA) for the Blythe Energy Project (99-AFC-08C). (See TN# 203564.) With this correspondence, Blythe Energy Inc. is withdrawing that PTA. A revised application will be filed with the Mojave Desert Air Quality Management District (District) to replace the application for air permit amendments that was also submitted to the District on January 26. Blythe Energy Inc. intends to submit a new Petition to Amend, concurrent with its filing of a revised amendment application to the District, in order to reflect that application.

If you have any questions or require additional information regarding the withdrawal of the January 26, 2015 PTA, please do not hesitate to contact Gary Rubenstein of Sierra Research at (916) 273-5126 or Susan Strachan at (530) 220-7038.

Sincerely,

Christopher J. Doyle  
Vice President  
Blythe Energy Inc.
