Re: Puente Power Project (15-AFC-01); Data Request, Set 1 (No. 1)

Dear Ms. Folk:

Pursuant to Title 20, California Code of Regulations, section 1716(d), NRG Energy Center Oxnard LLC (“Applicant”) requests the information specified in the enclosed data request. The information requested has been cited by the City of Oxnard in its comments on the Puente Power Project and is required for Applicant to fully evaluate the City’s comments.

A written response to the enclosed data request is due to the Applicant on or before November 2, 2015. If you are unable to provide the information requested, need additional time, or object to providing the requested information, please send a written notice to the Applicant and me within 20 days of receipt of this notice. The notification must contain the reasons for the inability to provide the information or the grounds for any objections (see Title 20, California Code of Regulations, section 17.16(f)).

If you have any questions regarding the enclosed data request, please call me at (714) 755-8105.

Very truly yours,

*/s/ Michael J. Carroll*

Background

In its September 30, 2015 letter to California Energy Commission staff regarding law enforcement needs, the City of Oxnard reserved “an opportunity for additional comments on public safety and coastal flooding should the upcoming release in late October of FEMA California Coastal Analysis and Mapping Project (CCAMP) working maps provide new relevant information of flooding risks that would inhibit or prevent emergency response to the P3 or decommissioned MGS.”

Data Request No. 1

Please provide the FEMA California Coastal Analysis and Mapping Project (CCAMP) working maps and any supporting information.

DATED: October 12, 2015

Respectfully submitted,
