COMMENTS:

I spoke with the Ventura County APCD Engineering Division Manager Kerby E. Zozula regarding the Preliminary Determination of Compliance (PDOC) status. Mr. Zozula informed me there are still a number of unresolved controversial issues between the City of Oxnard and the applicant. He believes data from The City of Oxnard's Data Request Set 3 will need to be incorporated into the PDOC.

Mr. Zozula expects a publishing date of late January 2016, instead of the committee's currently proposed November 24th 2015 date.
