SUBJECT: Zoning for the Puente Power Project (P3) site

COMMENTS:

I received an email today from Chris Williamson, Principal Planner for City of Oxnard Planning Services, confirming information conveyed in a previous phone conversation earlier in October (10/9/2015) regarding the P3 and Mandalay Generating Station (MGS) property.

The City of Oxnard will be issuing a public notice for a Planning Commission meeting scheduled for 11/19/15 to consider a city-initiated rezone of the P3, MGS and the Ormond Beach Generating Station from the Coastal Energy Facility (EC) district to the Coastal Recreation (RC) district. The Planning Commission will review and make a recommendation on the rezone, which will be presented to the City Council for consideration and action at a meeting scheduled for 12/8/15.
