Subject: RE: P3 and MGS Units 1 and 2 Decommissioning

Hello Jon and Lisa,

To clarify, the correct schedule for decommissioning and demolition of MGS Units 1 and 2 is documented in the Project Enhancement and Refinement (AFC Supplement) document dated November 19, 2015. Decommissioning is anticipated to be completed by June 2021; we would commence decommissioning after both units are shutdown. Demolition is anticipated to commence in July 2021 and would be completed by September 2022. We do not anticipate any changes to this schedule.

Best Regards,
