Attorneys for the CITY OF OXNARD

The City of Oxnard files this Status Report addressing the following issues:

PDOC and PSA Review

The Ventura County Air Pollution Control District issued its Preliminary Determination of Compliance for the Puente Project in May 2016. CEC staff circulated its Revised Preliminary Staff Assessment on June 20, 2016. The City is currently reviewing and plans to comment on both of these documents.

Preliminary Staff Assessment Workshops in Oxnard

CEC staff has indicated that it has tentatively scheduled PSA workshops for July 21 and 22, 2016. Due to City scheduling conflicts, the City has been in contact with staff to explore holding the workshops during the following week (week of July 25). Holding the workshops that week would allow for more meaningful City participation.

City of Oxnard’s General Plan Amendment

On June 7, 2016, the City Council of the City of Oxnard unanimously adopted General Plan Amendment 16-620-01. That amendment implements prior City land use policies and moratoria by prohibiting certain new energy infrastructure in areas where the City has documented threats from natural hazards (including sea level rise).
