Mandalay Fire Protection System Study – Final Draft

Dear Mr. Hilliard:

NRG Energy Center Oxnard LLC is pleased to submit the enclosed Mandalay Fire Protection System Study, Analysis of Existing Fire Protection System to Support Proposed Puente Power Project. We have provided further analysis of the existing fire protection system at Mandalay Generating Station and the proposed expansion of the fire protection system for the Puente Power Project, as well as further analysis of the associated building and fire codes. This supplemental information supports the Worker Safety/Fire Protection resource areas of the Puente Power Project Application for Certification (15-AFC-01).

If you have any questions regarding this submittal, please do not hesitate to contact me at (760) 710-2156.

Sincerely,

A handwritten signature in black ink, reading 'George L. Piantka', is placed below the word 'Sincerely,'.
