Opposes Oxnard Power Plant

Additional submitted attachment is included below.

August 3, 2016

Dear Commission members,

The news of a proposed
Oxnard Power Plant to be built at
Oxnard Beach is an anathema.
That area of peace and beauty
needs to be preserved for coming
generations.

From the beauty of the sea
to the views of distant mountains
brings nature's wonder to the human
eye.

Please hide your power plant
some place other than Oxnard Beach!!

Sincerely

Joanna B. Newton
