Mayor Pro-Tem Ramirez:

Thank you for calling to our attention that a City Council meeting may occur on September 27, the date the Puente Power Project AFC Committee has selected for a Committee Status Conference in Oxnard.

I write to verify this information because no meeting is shown on the 2016 City Council calendar posted on the City web site. In response to an inquiry, the City Manager's office indicated that no meeting was scheduled on the 27th. Can you please confirm your information at your earliest convenience? If you find it more convenient to reply directly to me, I can arrange to file a copy in the proceeding's record.

Paul Kramer

Assistant Chief Counsel

For the Puente Power Project AFC Committee
