Re: Errata to the City of Oxnard's Comments on the Preliminary Staff  
Assessment (15-AFC-01)

Dear Mr. Pittard:

Please note that upon subsequent review, the City has become aware of two broken hyperlinks on pages 8 and 10 of the City's Comments on the Preliminary Staff Assessment, which were docketed on September 15, 2016.

The text and hyperlink on the beginning of page 8 should read:

“City's 2030 General Plan, which was adopted in 2011 (available at <https://www.oxnard.org/city-department/development-services/planning/2030-general-plan/>)”

The text and hyperlink on page 10 should read:

“As noted in the McGrath State Beach General Plan, the area is rich in biological diversity and provides exceptional opportunities for low intensity, public recreation in a natural area adjacent to an urban area. McGrath State Beach General Plan at 10, 17, 25 (available at <https://www.parks.ca.gov/pages/21299/files/567.pdf>).”

Very truly yours,

SHUTE, MIHALY & WEINBERGER LLP
