Justice Alliance (CEJA)

The California Environmental Justice Alliance (“CEJA”) submit this status report pursuant to the November 18, 2016 Revised Committee Scheduling order. CEJA remains concerned that the revised schedule will not allow time for the affected community to participate in the proceeding. As we begin the year, CEJA is preparing for the Final Staff Assessment (“FSA”) workshop in Oxnard. CEJA has been preparing opening testimony, but the amount of time from opening to rebuttal testimony of less than a week is essentially impossible.

CEJA appreciates that the FSA workshop was moved back from the first week of January. CEJA continues to request, however, that the Committee reconsider its schedule, and allow for six weeks after FSA for filing of opening testimony, three weeks after for filing rebuttal testimony, prehearing conference statements, and exhibit lists, and four weeks from rebuttal testimony to evidentiary hearings.
