# Carl Moyer Program Source Categories

*This page last reviewed December 8, 2016*

The Carl Moyer Memorial Air Quality Standards Attainment (Carl Moyer) Program provides incentive grants for cleaner-than-required engines, equipment and other sources of pollution providing early or extra emission reductions. The following is a list of some of the source categories funded under the Carl Moyer Program. Each category listed is linked to information pertaining to project and applicant eligibility.

For more information regarding the Carl Moyer Program, please [email us](#) or [contact ARB's Diesel Hotline](#).
