Ms. Fagan:

Thank you for getting back to us.

Yes, we would like to have a Navy representative come to answer questions from the parties and perhaps the Committee about last week's letter.

Would first thing on the morning of February 9 work for your folks? It should not take more than an hour. If so, I'll add it to the topics list as a third "part" of the Alternatives topic when I post other revisions.

Mr. Kramer,

Having seen the schedule spreadsheet posted to the Docket last evening (with no listing for a Navy representative), and not yet having heard back from Mr. Pittard (see below), I wanted to follow up with you regarding the hearing schedule. As noted below, we are not available on 8 FEB all day, nor is 7 FEB workable at this point. Please advise whether a Navy representative is still requested, and which day/time is requested for 9 or 10 FEB for our further consideration.

Respectfully,

Mr. Pittard,

NBVC continues to consider availability to participate in next week's Evidentiary Hearing in Oxnard. With regard to the schedule, we are unable to support attendance on Wednesday, 8 FEB due to an all-day prior schedule commitment. I am conferring with colleagues regarding availability on 7 FEB, 9 FEB and 10 FEB. Other than 8 FEB, is there a particular window of time upon which we should focus review? Also, how much time do you anticipate would be required for our participation?

Respectfully,

Amanda Fagan
