Comment Received From: Adrianna Alexandrian

Submitted On: 2/21/2017

Docket Number: 15-AFC-01

No on PPP!

As a public health professional and someone who grew up in the Central Coast, I ask for you to please not further perpetuate environmental racism by allowing for this project to move forward. Think about the damaging impacts that this power plant will have, especially on marginalized communities, and ask yourself if you can live with yourself knowing you could have prevented this from being created.
