No on PPP, Stop the PPP, We don't need another power plant, Stop Environmental Racism,

Please don't. We need good things to come into Oxnard, to develop this town, to bring the value of Oxnard up not down. Stop thinking selfishly with your pocket and start thinking of PEOPLE!! People who live here, the children being RAISED here, the people who work here, the families that are invested in Oxnard. Clean up Oxnard, please don't continue to destroy & devalue it.
