## **Pass the Power house**

Hello, my name is mark scherer. I am a local 433 iron worker apprentice. I beleive that this job should be passed because it will not only provide me local work that will keep me and my brothers home with our familys opposes to traveling out of stae. It will provide the local community with econmical growth as well. In my opinion i beleive thatthis job will also create clean energy opening the way for renewable resources. All in all this job is something that we need. Thank you for time.
