VENTURA COUNTY RESIDENT IN SUPPORT OF THE PUENTE POWER PLANT

Date March 2, '17

Dear California Energy Commissioners,

My name is Joseph Rodriguez

and live at 1159 San Cayetano St, Fillmore CA 93015, California.

I am a Union Electrician sending you this letter in support of the proposed Puente Power Plant. My enthusiastic support for this much needed power supplement is based on the following facts:

- The Puente Power Plant will provide Oxnard and Ventura County residents with critical backup power should there be a breakdown with the transmission system.
- Contrary to some scare tactics, science has determined that the Puente Power Plant will not pose any significant health or environmental impacts.
- It will use state-of-the-art technology that is above the standard for emission controls on similar projects.

For these reasons among many others, I strongly urge you to back this important project to help bring safe and reliable power to Oxnard and all of Ventura County.

Sincerely,

Ventura County Resident
Union Electrician
