**OXNARD RESIDENT IN SUPPORT OF
THE PUENTE POWER PLANT**

Date 3-9-17

Dear California Energy Commissioners,

My name is Mike Barber

and live at 3701 Orange dr. Oxnard, Ca 93036 Oxnard, California.

I am a Union Electrician sending you this letter in support of the proposed Puente Power Plant. My enthusiastic support for this much needed power supplement is based on the following facts:

- The Puente Power Plant will provide Oxnard residents with critical backup power should there be a breakdown with the transmission system.
- Contrary to some scare tactics, science has determined that the Puente Power Plant will not pose any significant health or environmental impacts.
- It will use state-of-the-art technology that is above the standard for emission controls on similar projects.

For these reasons among many others, I strongly urge you to back this important project to help bring safe and reliable power to Oxnard and all of Ventura County.

Sincerely,

Oxnard City Resident
Union Electrician
