Response to Hearing Officer memo to hold date for May 1 Committee Conference

I respectfully request that the Committee Conference be set for an appropriate date after May 1, 2017. This date, May Day, is a recognized day for honoring workers and holding labor rights events and public gatherings across the nation. Holding a Committee Conference meeting on that day, even if business were limited to scheduling matters, would exclude or limit the public participation of immigrants and other workers who will likely be organizing and attending May Day events. Please consider scheduling the conference for a later date.

Thank you.

Grace Chang
