## **thoroughly study alternatives to the Puente Project**

I echo the leadership of the CA Legislature in thoroughly studying alternatives to the Puente Project to prevent further harm to environmental justice communities, especially in Oxnard:

"We request the Commission accept CAISO's offer to undertake a thorough preferred resources alternatives study before acting on the Puente project. We urge that CAISO revisit preferred resources, to provide sufficient evidence to the Committee and to the public that all alternatives to the Puente project were pursued."
