Puente Power Project AFC Committee

Subject: Conclusion of June 8, 2017 Continued Committee Conference

I've received several reports that the WebEx audio could not be heard during the time around 10:15 am this morning, when the Committee said it would return from Closed Session. I apologize for that.

Shortly after 10:15, the Committee returned and reported that there were no reportable actions from the closed session and that a written decision would be issued shortly. The Committee Conference was not continued to any further date.
