## **Reject the Puente Power Project**

Dear Submit your public comment,

This project is uneconomical and unnecessary. Puente would cost more than twice as much as it would cost to meet the same electricity needs with renewables. Clean energy solutions can create more good, local jobs in the Oxnard area for a fraction of the cost.

This is a project whose time has passed. I thought this nonsense was over in California. I urge you to reject the Puente Power Project. Thank you.

Sincerely, Sherrill Futrell
