Justice Alliance (CEJA)

The California Environmental Justice Alliance (“CEJA”) hereby withdraws its objection to admission of TN#215772. Based on further review of CEJA’s records and the hearing transcript, it appears the document titled “Additional Attachment to Environmental Justice Figure 1 (Revised) – with CalEnviroScreen 3.0 data, in TN 215769”, was discussed by CEC staff during their testimony regarding environmental justice. It is a single page document, a map showing outlines of census tracts most impacted under CalEnviroScreen 3.0, outlining in black the tracts ranking 75%-100%. My electronic record shows that I reviewed the document prior to cross examination of CEC witnesses. Several CEC witnesses (Worrall, Chu) discussed the process by which staff considered the specific census tract information from CalEnviroScreen, orally verifying the substance of the change to Environmental Justice Figure 1 to reflect CalEnviroScreen 3.0. As a result, I believe parties did have adequate opportunity to cross-examine witnesses on the accuracy of TN#215772, and CEJA withdraws its objection to inclusion in the record of this proceeding.
