# Memorandum

To: All Parties and Persons Interested in the  
Puente Power Project Proceedings (15-AFC-01)

Date: September 8, 2017

From: Paul Kramer, Hearing Officer  
Puente Power Project AFC Committee

Subject: September 14 -15 Evidentiary Hearings Witness Worksheet and Other notes

I write to update you regarding the September 14 and, if necessary, 15, 2017 Evidentiary Hearings in Oxnard.

Your time estimates currently total to over 18 hours (2 full days), not including public comment. They are reflected on the attached Witness Worksheet. Please come to the September 12 Committee Conference prepared to discuss whether the hearing on this single subtopic must take that much time.

The Exhibit List is mostly updated in the e-filing system to reflect your proposed exhibits. A couple exhibits are not on the list yet. That will be completed by Monday.

We will also consider the several Motions to Strike testimony during the September 12 Committee Conference as previously announced.

If you decide to participate in the Committee Conference via WebEx, please use a headset or a headset, not a speakerphone, while speaking.
