In the Matter of:

POWER PROJECT**

DOCKET NO. 15-AFC-01

**RESPONSE TO APPLICANT'S
MOTION TO SUSPEND
PROCEEDINGS ON THE
APPLICATION FOR
CERTIFICATION**

**FFIERCE joins the Intervenors in RESPONSE TO APPLICANT'S MOTION TO
SUSPEND PROCEEDINGS ON THE APPLICATION FOR CERTIFICATION.**

FFIERCE joins the Intervenors' request that Applicant's Motion to suspend proceedings on the AFC be denied. FFIERCE applauds the Committee's recognition that the procurement of preferred resources as alternatives to Puente should be expedited, as expressed in its October 5th Committee Statement Regarding the State of the Presiding Member's Proposed Decision Statement. In addition, we agree that the Oxnard community deserves a final decision from the CEC denying the Puente project application, which such a suspension might serve to delay. Therefore, FFIERCE joins the Intervenors to request that the Committee release its PMPD to deny the application as currently scheduled at the end of October and that the PMPD Comment Conference is held in the community of Oxnard for the public on November 16, 2017.
