## **COMMITTEE ORDERS REGARDING APPLICANT'S REQUEST TO EXTEND SUSPENSION, FILING OF RESPONSES, AND EXTENSION OF DEADLINE FOR COMMITTEE DECISION**

These Orders address NRG Oxnard Energy Center, LLC's (Applicant) request to extend the suspension of this proceeding until June, 2019 while Southern California Edison completes its preferred resources procurement process. The request was contained in Applicant's Status Report filed on April 20, 2018.<sup>1</sup> While not in the form of a motion,<sup>2</sup> the Committee<sup>3</sup> elects to treat it as a motion and allow the parties and public to respond, after which the Committee will issue its ruling on the motion.

### **Orders**

1. The Applicant may file additional argument in support of its request no later than 5:00 p.m. on Friday, May 4, 2018. At a minimum, the Committee requests updated information about the current operating status and planned future operations of Mandalay Generating Station Units 1–3.
2. Other parties shall file their responses to the Applicant's request and members of the public may submit public comments on or before 5:00 p.m. on Friday, May 11, 2018.
3. At this time, the Committee does not anticipate the need for replies to the party responses.
