SAVE DIABLO CANYON NUCLEAR PLANT

If Diablo Canyon closes, there will be more greenhouse gases in California.

i USED TO BE ONE OF THE PASSIONATELY TERRIFIED PROTESTERS AT THE GATES OF DIABLO CANYON, TRYING TO CLOSE IT DOWN.

AND THEN I LEARNED ABOUT GLOBAL WARMING AND GREENHOUSE GASES, AND THE UPHILL FIGHT TO REDUCE OR TERMINATE OUR USE OF FOSSIL FUELS. NUCLEAR ENERGY IS CLEAN ENERGY. NEW SAFETY STANDARDS LOWER THE RISK OF CATASTROPHIC ACCIDENTS. THE DANGERS FROM NUCLEAR WASTE ARE ABSURDLY EXAGGERATED IN THE PUBLIC MIND. WE CAN'T AFFORD TO REMAIN SO STUPID ABOUT NUCLEAR ENERGY-- WE NEED TO RE-LICENSE DIABLO, AND BUILD MANY MORE NUCLEAR PLANTS IF CALIFORNIA IS TO MAKE A SERIOUS DIFFERENCE IN THE FIGHT TO SLOW OR MITIGATE GLOBAL WARMING.

LET'S DO OUR PART! WE NEED DIABLO CANYON! hELP IT MEET ALL SPECIFICATIONS, THEN RE-LICENSE ASAP!
